

Holly/Bollywood Wedding Parties

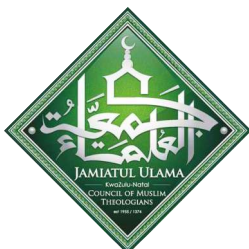

A disturbing trend surfacing in the Muslim community is Hollywood and Bollywood-styled wedding parties of song and dance. The party attendees as well as the couple to be, dance and party with each other, at times, with hired musicians and dancers. Such parties are yet another manifestation of the love some Muslims have for the customs of the Kuffaar and their dislike and aversion for the Sunnah of Rasulullah ﷺ.

Rasulullah ﷺ was most severe in his condemnation of parties of music and dance: **“Most certainly, people from my Ummah will consume liquor which they will call by some other name. Over their heads (on stages) will be musical instruments and singing girls. Allah will cause the earth to swallow them, and from among them He will transform into apes and swines.”** (Ibn Maajah)

In Muslim weddings today, Muslims are serving wine to their non-Muslim guests and serving their Muslim guests bottles of grape juice that in all respects appear to be bottles of wine. How long will it be before that grape juice bottled like wine is replaced with the real thing?

Parties of song and dance are venues which draw the anger of Allah and His punishment. It is Haraam to host such parties and it is Haraam to attend them. We often ask the reason for Muslim suffering in the world. We need merely consider the lifestyle of Muslims today to find the answer.
