

MI'RAAJ

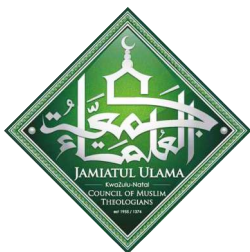

The Heavenly Ascension

Mi'raaj was one of the most remarkable events in the life of Rasulullah ﷺ. Miraculously he was taken from Makkah Mukarramah to Baitul-Maqdis (Jerusalem) and from there he ﷺ ascended into the Heavens and further into the Divine Presence of Allah Ta'ala. This was a unique honour for Rasulullah ﷺ.

While there are differing views on when the night of Mi'raaj occurred, one thing is for certain. On this night, Rasulullah ﷺ was bestowed with a gift like no other. A gift so precious that Allah Ta'ala did not send it to the earth, rather He gave it directly to Rasulullah ﷺ in the heavens. **That gift is the gift of Salaah.**

In a Hadith Qudsi, Allah Ta'ala states, “Verily, I have made five Salaah obligatory on your Ummah and I have taken a pledge that whoever will steadfastly perform his Salaah at its appointed time, I will enter him into Paradise.” (Ibn Majah)
