

SYRIAN REFUGEE CRISIS - ALEPPO

THE UMMAH NEEDS OUR HELP!

Aleppo, one of the largest and most populated cities of Syria is on the verge of collapse and been retaken by the Syrian government army backed by Iranian and Russian forces. The city is under constant bombardment with reports of mass executions of opposition forces and civilians and the wholesale rape of captured women. Thousands are fleeing the city to escape the torture and killing while thousands remain trapped within, surviving on scraps with food sources rapidly dwindling and relief aid that cannot cope with the crisis.

Our URGENT appeal is to assist in providing aid to those afflicted in this terrible conflict.

Your contribution will, insha-Allah, provide some comfort in their bleak and desperate situation.
