

Why I won't be your Valentine!

- ✘ Originally a Pagan ritual which then evolved into a Christian practice.
- ✘ Clever marketing to fleece you of your money by emotional manipulation.
- ✘ Opens doors to fornication and adultery.
- ✘ Introduced to children from primary school (even preschool) thus encouraging immoral behaviour in the child's developing years.

For these reasons and for the protection of our Islamic identity it is imperative that we shun this evil. When what appears to be harmless fun, later becomes the loss of chastity, unwanted pregnancies, abortions and at times marriage to non-Muslims, then it will be too late to lament and wring our hands in sorrow.

At times, one day spent in pleasing the devil often leads to years of heartbreak, misery and grief. May Allah Ta'ala protect us all from every avenue that leads to *Zina*.
