

XENOPHOBIA

Allah Ta'ala states, “Corruption has appeared on land and sea because of what the hands of men have earned (by oppression and evil deeds), that Allah may make them taste a part of what they have done, in order that they may return (to Allah).” (Quran)

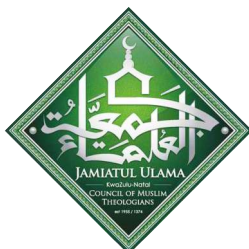

The xenophobic attacks presently unfolding are of grave concern. In the time of turmoil, unrest and violence that we currently face in South Africa, the first recourse is that we earnestly turn to Allah Ta'ala.

We need to engage in abundant Dua, recitation of the Qur'aan Shareef, Istighfaar (seeking forgiveness), Salaat and Salaam (Durood) on our Beloved Nabi ﷺ, abundant recitation of Aayatul Kursi and Qunoot e Naazila in our Masaajid.

We should also discharge Sadaqah, especially to the innocent victims of xenophobic attacks. We have an added responsibility since a considerable portion of foreigners are Muslim.

Furthermore, we must improve and enhance our social dealings and Islaamic Akhlaaq (beautiful character) particularly with the indigenous communities of our country. **Our personal reformation is the draw card to Allah's mercy descending.**

May Allah Ta'ala protect us all and bless our land and the entire globe with peace, harmony and safety, Aameen.
