

An Opportunity!

With the great influx of tourists that will be arriving in our Country in the coming months, a unique opportunity arises for Muslims to assist in spreading Islam to the people of various nations. The way forward is in Dawah drives, distributing beneficial literature which should include Masjid locations and Salaah times for Muslim tourists. We should display the correct Islamic *Akhlaaq* so that it attracts the visitors to Islam, instead of distancing them.

May Allah Ta'aala save the Ummah from *Fitnah* and make this Ummah stronger after each storm it weathers, Ameen.
