

# REMEMBER WHO YOU ARE

Due to the constant bombardment of the media to propagate or promote different ideologies, we as unwary Muslims fall prey to many Unislamic customs.

Some of these Unislamic customs is partaking in the Christian activities of Easter, whether it be the Easter eggs, Easter bunny, hot cross buns, revering Good Friday and Easter Monday.

All these are Christian customs and it is totally not permissible for Muslims to be associated with such customs, even buying or selling of Easter eggs, hot cross buns and Easter bunnies.

*We as Muslims have our own code of life that is the way of Islam. We should never follow the customs of other nations or denominations.*

*May Allah Ta'aala protect us and make us love the Sunnah of Muhammed Sallallaahu Alayhi Wa Sallam .Ameen.*
