

# The Right Thing To Do!

With the current advances of technology and communication, the movement of information has become almost instantaneous. While there are many benefits to this, such technology can be exploited by people of malicious intent to slander, defame and spread Fitnah in society.

The Jamiatul Ulama KZN has been picked out as a target by "Unknown entity/ies" who hide behind impersonated and secretive e-mail addresses like [jamiatkzn.jamiat@gmail.com](mailto:jamiatkzn.jamiat@gmail.com) and [afsous786@gmail.com](mailto:afsous786@gmail.com) and communicate erroneous information. The mere fact that the individual would impersonate the Jamiat's name as his email address speaks volumes about his integrity and intent.

We remind the Muslim public when faced with anonymous information, that the Shariah demands from us to first verify and establish the true facts before accepting, drawing conclusions or passing on that information.

Allah Ta'aala states in the Quran: "O those who have Imaan, if a sinful person brings you a report, verify its correctness, lest you harm a people out of ignorance then become remorseful over what you did." (Surah 49, Verse 6)

The Jamiatul Ulama KZN welcomes any individual or organisation to contact our offices personally to address their concerns with decorum and respect.
