

THE SHOCKER SIN CUP

Entertainment, amusement, enjoyment; its deceptive front cover
youth, teenager, elderly;....its blind passionate lover
days, games, scores;..... its all suddenly over

Salaah time, they deviously have the match
the idle Muslim they plan to catch
that link to Islam, they hope to snatch.

Head to toe, the players appearance we walk
kick-off to finals, the players performance we talk
yet their value is rated below zero
how can they ever be our hero

Supporters, screaming, dancing; its shameful venue
music, women, intoxicants; its harmful menu

Limited selected, chosen; will stay away
many, lost, unfortunate; will obey their play

Let us please Allah by abstaining from every sin.
