

Iftaar Water Project Ramadaan 2017

The **Western Cape** is currently experiencing a severe drought. Dam levels have reached critically low levels which has rendered tap water undrinkable. The Jamiat KZN has embarked on a project to provide bottled drinking water to various Masaajid in Cape Town at the time of Iftaar.

Rasulullah ﷺ has stated, **“Whoever provides Iftaar to a fasting person will have a reward like that of the fasting person, without any reduction in his reward.”** (Tirmizi)

The Water will be distributed under the supervision of the Jamiatul Ulama KZN.
