The Jamiatul Ulama KZN Perpetual Salaah chart is a standard feature in many Masaajid, Musallas and Muslim homes in Durban. Due to stock exhaustion, there was a need for reprinting the same. Alhamdulillah, the new Salaah charts have been beautifully redesigned and are specially laminated for increased durability.

Donate towards this project at a cost of **only R10 per chart** thereby sharing in the reward of all those who use them for determining their Salaah.
