

# SINNING IN SECLUSION

Hadhrat Thawbaan رضي الله عنه reports that Rasulullah صلى الله عليه وسلم said, “I know of a group of my Ummah who will come with good deeds on the day of Qiyaamah like the Mountain of Tihaamah. Allah will scatter their deeds like dust (their deeds will hold no value).”

Hadhrat Sawbaan رضي الله عنه exclaimed, “Give us their full description so that we may never be from amongst them out of ignorance!”

Rasulullah صلى الله عليه وسلم replied, “They will be your brothers, from your own tribes. They will worship Allah by night just as you do. **But they are such a people that when they are tempted with sin in privacy, they commit what Allah has forbidden.**” *(Ibn Majah bi sanadin sahih)*
