

# Winter Warm 2013

KwaZulu-Natal has already experienced the first cold of winter. For many of us this means snuggling in warm blankets within cosy rooms enjoying a hot chocolate and the like. But for others it is a time of dread and suffering. A time of long nights struggling to find the barest warmth against bitter cold.

Join the Jamiat in spreading warmth and comfort to the underprivileged and sponsor a blanket at a cost of just **R55.00** per blanket.

**“Show mercy to those on earth, and He Who is in the heaven will have mercy on you.”**
