

SIMPLIFIED RULES OF TAYAMMUM

When is Tayammum applicable?

- ❁ When water is not available within a radius of approximately 1.7 km.
- ❁ If there is so little water available that one cannot even carry out the four Fardh of Wudhu.

On what items can Tayammum be made?

- ❁ Sand
- ❁ Clay
- ❁ Stone
- ❁ Brick

3 Faraaidh (compulsory acts)

- ❁ Making an Intention (**Niyah**) of purifying oneself.
- ❁ Press both hands on the sand/stone and rub them on the face.
- ❁ Press both hands on the sand/stone and rub both hands upto and including the elbow.

Method of making Tayammum

- ❁ Making **Niyah** (Intention) and reciting **Bismillah**.
- ❁ Press both hands on the sand/stone, dust off excess sand, if any, and rub both hands over the entire face.
- ❁ Press both hands on the sand/stone, dust off excess sand, if any, and rub the right hand from the fingers upto and including the elbow using the left hand. Thereafter, rub the left hand in the similar manner using the right hand. Ensure that the skin between the fingers and beneath any rings are also rubbed.

What breaks Tayammum?

- ❁ The acts that break Wudhu will also break Tayammum.
- ❁ Tayammum will break when water becomes available.
