

SURAH MULK

A PROTECTOR IN THE GRAVE

“One of the companions of Rasulullah ﷺ pitched his tent on a grave without realizing it was a grave. Suddenly, he heard the person from the grave reciting the entire Surah Mulk. So he went to Rasulullah ﷺ and said, 'O Messenger of Allah, I pitched my tent on a grave without realizing it was a grave when suddenly I heard the person from the grave reciting Surah Mulk.' Rasulullah ﷺ said, 'Certainly it (Surah Mulk) is the defender, it is the protector - it protects one from the punishment of the grave.'” (Tirmizi)

Rasulullah ﷺ said,

"Indeed there is a Surah (comprising) of thirty verses in the Holy Qur'an which intercedes for a person until he is forgiven. It is Tabarak Alladhi Biyadihil-Mulk." (Tirmizi)
