

# RESPECTING OUR ELDERERS

Rasulullah ﷺ has stated:

"No young person honours an elderly person due to his age, except that Allah will appoint for him a young person who will honour him when he is old." (Tirmidhi)

"The younger person should make salaam to the older person." (Tirmidhi)

Two brothers came to Rasulallah ﷺ to discuss a personal matter. The younger brother began to speak. At this Rasulallah ﷺ said, "The elder, the elder." meaning, give the elder brother his right and allow him to speak first. (Bukhari)

"Whoever does not respect our elders is not from amongst us." (Musnad Ahmad)
