

# ROHINGYA

## RAMADAAN APPEAL

Alhamdulillah, the Jamiatul Ulama KZN is assisting the Rohingya Refugees who have sought refuge in Bangladesh since 2017 when they fled to safety from severe persecution in Myanmar.

The Jamiat has assisted with emergency food aid, clothing, medical assistance and has completed several infrastructure projects including houses, wells, ablution facilities etc.

This is an ongoing long-term project which requires your continuous assistance and support. Jazakallah
